The **HM 1800 CD (Dual Timer with Cutter)** – Medium Capacity Impulse Heat Sealer

A general-purpose foot operated machine, providing great flexibility of operation. Leave hands free to manipulate large or heavy packages.

Simple bench mounting or optional stand available.

This CD model has a Dual Electronic Timer for complete control of the heating & cooling cycle, with a cutter to facilitate bag production from lay flat tubing.

This machine is simple to maintain with consumable spares being easy to fit & available from stock.
